READ-ALoud & DISCUSSION

God breathed life into you, minha filha.

When does your body feel calm and soft, like sleepy chamomile tea? Show me your calmest face!

God gave you skin to care for, and gave chamomile gentle flowers to soothe it.

MEMORY VERSE

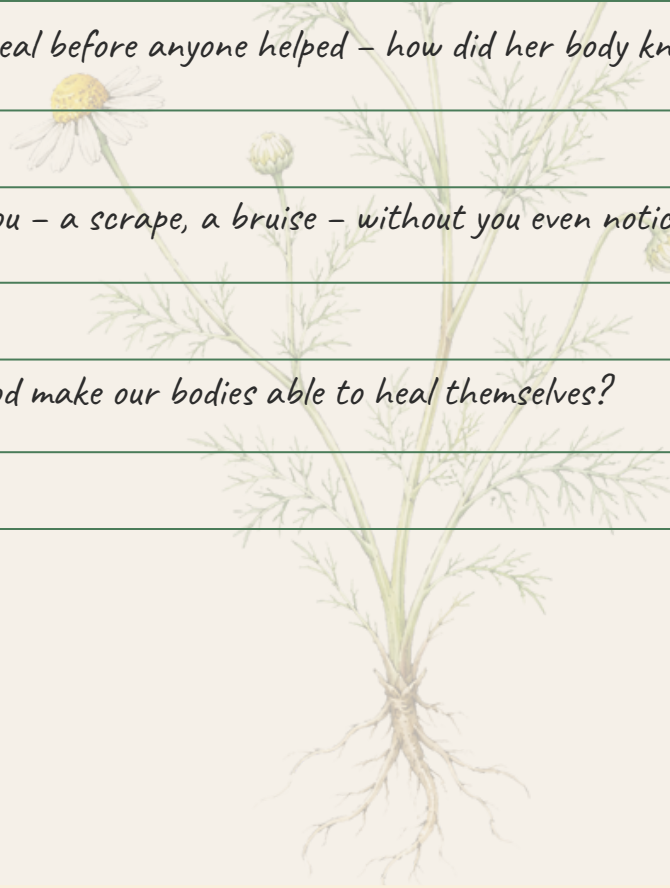

I have given you every plant yielding seed; it shall be food for you. Genesis 1:29

Say it together three times.

Gracie's cut began to heal before anyone helped – how did her body know what to do?

What has mended in you – a scrape, a bruise – without you even noticing?

I wonder, why would God make our bodies able to heal themselves?
