

Matricaria chamomilla · Asteraceae

Chamomile (German)

Steeped in golden calm

Chamomile Tea

INGREDIENTS

- 1 tsp dried chamomile flowers
- 8 oz hot water
- A little honey (optional)

METHOD

1. Measure 1 tsp of dried chamomile flowers into a mug.
2. Ask a grown-up to pour 8 oz of hot water over them.
3. Cover and steep for 5 minutes.
4. Strain out the flowers.
5. Add a little honey if you like.
6. Let it cool. Then smell and taste.

Vovó says:

Smell the steam first. It smells like apples. Even the smallest flower was made to bring us peace.

SAFETY:

Grown-ups pour the hot water and let the tea cool before tasting.

Chamomile is a daisy cousin. If anyone sniffs around daisies or ragweed, check with a grown-up first.

I have given you every plant yielding seed; it shall be food for you.
